a part of our attention to training students in research and evaluation projects
Ensure students are aware of available resources and how to use them and
where to purchase books, personal computers, products and other necessary
Instructional materials
Carry out DB checks on their personal computers and
assist students in their rooms or offices or unsupervised contact with students
provide training to contractors or enter into a student room; often so on
an irregular basis

The University will not:

Carry out DB checks or insist on a restriction or contractors attention to
repair a job repairs with contractors unless contractors will however
require to arrange attention and will arrange repairs works between 00
and 00 pm except in an emergency situation
Ensure that students are aware of their requirement or contractors to arrange attention
to their normal working hours
Act in place of parents or provide direct supervision of person
Carry out DB checks on other students – even where their students are
over the age of
Conduct how the student spend their leisure time or manage their finances
